

# KELVIN CHEE

CHIEF IGNITER

Kelvin Chee is a passionate and creative all-round brand and team strategist with vast experience from both marketing and advertising world. In the past decade, he has helped many organizations to develop dynamic team culture and ignite a creative revolution at their workplace through his action-packed programs.

His marketing career began in Unilever where he managed international brands like *Lipton*, *Lady's Choice* and *Knorr Soupy Snax*. As a brand manager, he was an advocate of creative thinking, bringing new innovation ideas into processes and products, always pushing the boundary of norm to strive for differentiation that leads to the brand success.

After his successful marketing career, he moved to HakuHodo Malaysia, the second largest advertising agencies in Japan and was appointed as the *Strategic Planning Director* where he was responsible in leading the development of brand and communication strategy for global brands such as *Kao*, *Ajinomoto*, *Kia*, *AEON* and *Toyota*.

As a well sought after creative and team enhancement facilitator, Kelvin has facilitated many training programs / modules for local and multinational companies helping them to increase their productivity and performance in a personal and team level.

Some of the projects that Kelvin was involved with include clients like *Alstom*, *Maybank*, *RHB*, *Bank Islam*, *Maxis*, *Nestle*, *Oracle*, *Western Digital*, *BMW*, *Strateq*, *Cardinal Health*, *I&P*, *Berjaya Group*, *Sutera Harbour Resort*, *Maya Boutique Hotel* and many more.

Kelvin is an **inspiring and energetic facilitator** that has the unique strength in making training personal and fun. He uses innovative demonstrations and thought provoking **experiential learning** to help motivate and enhance his participants learning. He constantly keeps his participants on their feet with his practical and high-impact activities that **touch the heart, mind and soul**.

Kelvin Chee graduated from Chartered Institute of Marketing, UK and furthered his studies in Arkansas United States. He completed his Degree Associate of Science in Family Studies with Summa Cum Laude recognition.

He is also one of very few Malaysians to have the Level 1 Premier Skills certification, a collaboration between British Council and Barclay Premier League to run programs for community football coaches in Malaysia.

Through the years, Kelvin's passion in igniting potentials within families has now led him to develop and run family enrichment programs. He hopes to empower families for a positive future generation.
